

School Enrollment Breaks All Former Records Locally

School Room Space Reported At Premium. Several New Teachers On Duty

Principal Frank O. Hobson states that the public schools of Belle Glade got off to an auspicious start for the new school year, on Tuesday, when the elementary school children were enrolled.

Enrollment figures at this period are a new record, with 475 in the Senior and Junior High schools, and 505 in the elementary grades, total of 740. There are a number of children who are not yet in school, owing to the health period barrier, and Mr. Hobson is expecting when full enrollment is completed, that the school listing will exceed the 800 mark, a new record.

Mr. Hobson states that children yet to come in, are to be registered at once at the school office, and then wait for the two week health period before entering into class work.

M. K. Bishop, who hails from Kentucky, the new science teacher, has arrived in the city with his family, but will not assume school duties until the health period is expired. The new rule applied to Mrs. Bishop, Murray, and Mrs. Mary Granger, owing to the illness of her husband and self, is to report a letter and file for duty.

The lawn of the school is in excellent and beautiful condition and the school rooms are in the finest condition in many years, in fact said to be the best; and nearest in the county school system. Marked improvement in sanitary conditions are noted.

Howard Payne, the band master, states that he will have a group of 40 in the band, and that most all the new instruments have arrived except the bassoon and the tympanum drum.

Enrollments provided for the Board were reported as follows: South Bay, 121; Central Point, 132; Pahokee High, 317.

Large enrollments are reported in both of Belle Glade and in Okeechobee. Most of the schools, both in advance of last year. To care for the elementary school in Belle Glade, double sessions will be in order.

School Safety Zone To Be Established On West Avenue E

On a petition signed by members of the Citizens Civic League, the City Commission decided that a school zone for motor traffic should be established on West Avenue E between 4th and 10th street, and also on South 5th street. Complaint was made that fast driving on these streets was endangering the children who must traverse these streets to reach the Okeechobee school house.

Owing to confusion over the lines on several 5th street, NW, the Commission decided that it would take up a survey to establish street and grade lines, as present civil engineer surveys, do not agree. The litigants involved are Mike, the shoe maker, Frank Fessenden and Harry Johnson.

Rev. Baughman, of the Assembly of God Church, was given a six month permit to move his tent from near Osceola Camp to a site on land owned by the People's on the Toonerville road.

The City at the request of the Chamber of Commerce agreed to take down and store the present discreditable Chamber membership sign now standing near the Bailey Realty office.

Roe Evans was denied the right to operate a beer and wine stand because it was in a school territory. W. S. St. John, was unsuccessful in his application for package beer permit at his store opposite the entrance Osceola camp, because it was out of zone.

Masonic Lodge Lodges
Belle Glade Lodge, No. 20, Free and Accepted Masons, will hold a regular communication on Friday, September 11th, when degree work is to be exemplified. Some plans for the winter work will also be up for consideration, so a large turnout of the membership is requested by the Master.

Leon T. Webster, Sr. Dies In Chattahoochee

Word was received in Belle Glade, Monday, from Chattahoochee, that Leon T. Webster, Sr., had died at the state hospital there, where he had been a resident for several years. The body was forwarded to the Berry, Universal Home at Palm Beach, where funeral services were held on Wednesday afternoon, with later interment at Woodlawn Cemetery, at West Palm Beach.

Mr. Webster, who was 49 years of age, is survived by his wife, Mrs. Emmie Webster, a daughter Reba, and a son Leon, three sisters, Mrs. Pearl Cook, Mrs. L. B. Cook, of Belle Glade, and Mrs. Marie Black, of Miami, and F. M. Webster, of Belle Glade, and W. E. Webster of Jacksonville.

Lions Present New Sousaphone To The High School Band

President Dora announced the appointment of W. H. Cook and J. R. Davidson, as assistant lat twisters; S. Wilkinson and A. M. Theibault, as assistant principal; and Henry "Bud" Wood, choirmaster and trainer of Lion vocal talent, Wednesday.

There is much vocal talent in the school, and the Lions tried to try out voices, for future entertainment use, three quartets were formed, and the Lions, namely: Earwood, Theibault, Kirk and Eggleston; Horst, Rial, Lane and McMillen; Howard, West and Davidson. The members declared the contest a draw.

Next Wednesday is 100 per cent attendance day, and District Deputy Emmett Roberts, will be in charge of the program. Eddie Cooke was inducted as a new club member. W. L. Cunningham and Ralph Kirk who were sponsors for the Lions, presented the sousaphone to the High School Band, and to pay the deficit if any, were very happy to present to the school, a new sousaphone and Band Master Payne, the beautiful Conn instrument, free from debt or other encumbrance.

Prize money accepted this instrument with appreciative thanks. He stated that around \$2,000 had been raised for the instruments for the band, to bring it up to required contest instrumentation. Ed Lively rejected the band, as being a good netted the promoting societies around \$170.

James Wiergen gave a short, interesting information talk regarding the Naval Reserve Radio station at Camp Okeechobee. He stated that he was going to make a visitation to the plant on Monday nights.

Veterans News From Your VA

Veterans hereafter must apply for training and education eligibility certificates at least 30 days before they plan to start school. Applications should be made to the Veterans Administration Office, 1111 N. G. I. B. The VA has revised its registration and enrollment procedure for veterans and the change is supposed to speed up subsistence payments and otherwise eliminate delays. Actually, the certificate of eligibility itself has been changed, consolidating four separate forms. On application for a certificate of eligibility, the veteran's length of service in the armed forces, will make a determination of actual education or training credit due. Applications should be mailed to the Veterans Administration Regional Office, 1947 Miami, Florida.

Pharmaceutical Associations in 46 states and the District of Columbia, have renewed their opposition to the proposed Federal Food, Drug and Cosmetic Act. (Continued on page 2)

Fish Catches Off This Week
Artisans of the piscatorial game report that fishing on the big lake has not been so good lately. The weather, as the anglers seen few and is size small. The water in the lake shows some slight rise, which should make fishing better near the shore lines.

Camp managers report that the fishing has been up to date, and later fishing periods will be a good one this winter.

Annual Roundup For Scouts On In Glades Region

Call Made For Assistance And Support Of The Great American Boy Project

Calling on all residents of Belle Glade to participate in the annual "Round-Up" of the Boy Scouts of America, H. O. Earwood, District Chairman declared, that the local office, Larimore said, Total active applications on file are 343.

Of the 49 placements made by the local office during August, only 2 were women, while 27 were of veterans. Job opportunities at the beginning of August show a decrease over last month; with 6 of the total opening for women.

The National Empire Physical Handicapped week plans are starting early this year, Larimore reported. Plans have been made for the formation of a local committee for the promotion of the N. E. P. H. week state, to be held in October, and a meeting will be held September 13 in the FSSS office.

Applications for jobs and openings should be made to the local office of the Florida State Employment Service, 125 N. E. 2nd Street. Job orders will be taken over telephone 307.

Securing Colored Truant Officer For Belle Glade Falls

The County Board of Public Instruction held a meeting on Tuesday and during the session, Mr. R. W. Davidson, of the Glades area, for the colored schools, but this failed to materialize. Mr. Davidson stated that all white children were largely in school, but not all colored children of school age were in school. This condition exists during the good bean picking period, especially, for a dollar to a negro child meant more than schooling.

The Board did appropriate \$5,000 for the fitting up of the athletic dressing room for the Belle Glade High School.

Miss Valerie Crowley, a Belle Glade teacher, asked for leave of absence, that she might travel the coming year on educational purposes. Supt. Watkins objected to this grant, as being a possible detrimental precedent. Miss Crowley was informed if she desired she could take the trip on her own time, and would be considered for re-employment next year.

Mr. W. A. Wall, chairman of the Harry-Anna-Crippled Children's Home at Umfilla, has called a Home Board meeting to be held on Tuesday, September 18 and at this time he will show donation gifts for the home. Belle Glade Lodge will contribute \$700, which means \$1,000 during the past year so far.

Elks and their wives will be provided Saturday evening entertainment by the Orlando Elks. Hereafter a large company is expected present.

Charity is one of the principles of the Elks, and lodges should make like donations to worthy civic projects. Some of the recent recording of such Elks is \$3,000, to the recreation park, and \$1,000 to Pensacola, uniforms and instruments for new youth camp, \$7,000, for a public welfare home project; Mr. Myers, \$5,000, for a county library; Coral Gables, continued support for the Pratt Veterans' Hospital; Vero Beach, funds for Boy Scout work.

The baby lodge at Homestead Glades Lodge will hold a hall room as a temporary place of meeting for business sessions. The Hollywood lodge will start the construction of a new home to be utilized for club and lodge purposes.

Benefit Burlesque Ball Game Proved Hilarious Event

Last Friday night at Memorial Field about 400 fans witnessed the "wackiest" softball game ever played here or any other place in the county.

To complete the payment of a Sousaphone for the High School band, the Lions Club, the Glades area, and the Lions Club, the project of repairing and redecorating the Girl Scout Hut, the Beta Sigma Phi Sorority and the Glades area, the project of the ladies and were handicapped by playing left-handed. The ladies were all out and played any way they pleased. Ed Lively was at the loud. (Continued on page 4)

More Women Seeking Jobs To Aid Family Enlarged Budget

Women are again "manning" the production lines, but this time it is in the home, against the high cost of living. A. M. Larimore, manager of the Belle Glade office of the Florida State Employment Service, announced today.

In order to maintain their households and their present standards of living, more women are re-entering Florida's labor market, with 52 active applications of women in the local office, Larimore said. Total active applications on file are 343.

Of the 49 placements made by the local office during August, only 2 were women, while 27 were of veterans. Job opportunities at the beginning of August show a decrease over last month; with 6 of the total opening for women.

Local Elks Make Fine Contribution To Harry-Anna

President Robert L. Bohan, of Jacksonville, of the Florida State Elks Association, has issued a call for the annual gathering of the Exalted Rulers and Secretaries of the lodges to be held in Orlando, Florida, on Sunday, October 18th. Exalted Ruler L. C. Betner and Secretary Fred Simmons of the Belle Glade lodge will be in attendance, as will the two like officers from Pahokee.

The Elks will be held in the Orlando lodge room, and that lodge will also provide the noon day dinner. This meeting is for the purpose of outlining work for the state during the winter months.

W. A. Wall, chairman of the Harry-Anna-Crippled Children's Home at Umfilla, has called a Home Board meeting to be held on Tuesday, September 18 and at this time he will show donation gifts for the home. Belle Glade Lodge will contribute \$700, which means \$1,000 during the past year so far.

Elks and their wives will be provided Saturday evening entertainment by the Orlando Elks. Hereafter a large company is expected present.

Charity is one of the principles of the Elks, and lodges should make like donations to worthy civic projects. Some of the recent recording of such Elks is \$3,000, to the recreation park, and \$1,000 to Pensacola, uniforms and instruments for new youth camp, \$7,000, for a public welfare home project; Mr. Myers, \$5,000, for a county library; Coral Gables, continued support for the Pratt Veterans' Hospital; Vero Beach, funds for Boy Scout work.

The baby lodge at Homestead Glades Lodge will hold a hall room as a temporary place of meeting for business sessions. The Hollywood lodge will start the construction of a new home to be utilized for club and lodge purposes.

Changes In Building Code Reduces Cost Prices

Bit by bit the City Commission, acting on recommendations of Building Inspector Willis, is making the desirable changes in the city building code, looking for safety and better construction work, as well as to bring down the cost of construction.

A new section to the code, governing the use of studding coverings, is going to aid materially in desirable changes in the building code, and business building costs.

Before one can secure a building permit, the specifications must be up to building code requirements, or there is no permit. Willis, in this position, is a man who fully understands his line, and sees that owners get value for their investment. No shoddy work goes.

School Bus Drivers Hold Responsible Safety Position

Thirty-One Buses Transport 3000 Children to School Each Day

Members of the school faculties, were not the only School Board employees, who had to have a session in shop work, as the school janitors, cafeteria workers, and bus drivers, had their own periods of schooling for the perfection of their work.

From the safety of school buses, likely the bus driver has more responsibility on his shoulders than any other employee, because he must see that they are loaded and unloaded at their destination, as well as safely pilot over the highways which the school buses traverse.

It is the duty of the School Board primarily to see that safe buses are provided before turning them over to the drivers for prescribed duties, and from time to time inspections and repairs.

The Palm Beach County Board has given Rogers Atkins the duty of superintendent of school transportation, but stipulated, so he had his drivers in for their schooling and trial trips over an assigned route to become acquainted with the route, stops and schedule.

There are 3,000 children in Palm Beach county which get school transportation daily, in the 26 white and 5 negro buses. Three new routes have been established, and the county has added patronage. The county assessed 50¢ per pupil per bus this year and one with capacity. The majority of the school drivers are women, who are considered careful operators, hence their employment.

Adkins gives the following obligatory rules which drivers must observe at homes or loading centers: Stop at least 100 feet before stopping; do not stop on a shoulder on any highway except in an emergency; if on the highway, remain at least 150 feet back of any truck and he must keep the "stop" sign displayed until all children have safely crossed the road.

Chamber To Aid Co-Op Cattleman's New Sales Set-Up

The directors of the Belle Glade Chamber of Commerce held their first meeting of the 1948-49 campaign, and will discuss the acquisition and construction of a number of subjects on things vital to the Chamber and the community.

Just as a large operational funds, outside the annual dues collection, the City Directory, was stressed as the main promotional objective. The Chamber of the new directory, which will be more extensive and larger than the previous year, will be charged of Secretary Delaney. Citizens are urged to reply to communications that they may receive from the Chamber, requesting required information, and by so doing they will help out a lot.

The proposed new cattle market project was also under animated discussion of a favorable nature, and official letters from the Chamber will be sent to the State Department of Agriculture, the farm division of the Florida Department of Agriculture, and the members of the new Co-op, setting forth the interest that the Chamber has in the project, and the assistance in any manner possible to further the project.

As the dues are now due and payable, and as the Chamber, in need of funds, all old and new members are asked to send in their checks at once.

Estimate Of A Million Ton Sugar Cane Crop

The United States Sugar Corporation, Cleveland, Ohio, has estimated without storm losses that it will harvest a million tons of sugar cane, or 200,000 tons of molasses, in the 1948-49 season. Sugar at present is the least costly of the common household commodities, and the estimate of the consumption, allegedly being the cause for the lower price.

Eddie Steals The Cup Billy Racing Retrieves It

After waiting ten days for the weather to clear up for the playing of the last and deciding game of the soft ball league, it was played Thursday night and the "Grub" Billys, known as Billy's Restaurant defeated Eddie Schoepke's Glades Chevrolet team by a score of 11 to 3.

The winning team, made up mostly of school age kids, simply outplayed the more mature men.

After the game Eddie stole the trophy from the bench and scooted out in left field, Billys, however, were recovered it after some fast running.

The teams are to enjoy a number of games on next Thursday night.

Source Of Bad Odors Traced To Canal Waters

City Building Inspector and Sanitary Policeman N. P. Willis has traced the source of the bad odor during August, after there is considerable repair work being done. Several homes have been in the way for September.

As Sanitary Policeman he had been quite busy and has ferreted out a number of corrections that have been ordered. Residents of Northmoor complained at night the breezes brought a good team as we have had in the past.

In this session, Coach Cooke, will not have to overcome a serious lack of former years, and that he will be well fortified with a good line of substitutes, so that replacements can be made at his will. This will make it possible for the coach to keep his team up to par during any game.

"Bruiser," for that is the name which the players have assigned to the coach, issued playing uniforms to the team members, and real football was started, and players were assigned to positions for try-outs.

During the summer new equipment was secured for the Ramblers, including new uniforms, made out of water proof materials, so that soiling will not be so harmful. The boys would about the new uniforms.

While Coach Cooke has not filled this schedule of games yet, the big importance of the season, that with the rival Pahokee Blue Devils, will be played at Lake Field, on Wednesday night, November 24th.

Coach Alley, of the Blue Devils, has a squad of around 25 players under training, many of them "green timber." He has announced that the Blue Devils schedule will be as follows:

At home games: September 24, St. Theresa of Miami; October 1, Lake Wales; October 8, St. Andrew of Dania; November 5, Ponce de Leon of Miami; November 19, St. Mary's of Palm Beach; November 24, Belle Glade.

Way games: October 1, Gesu at Miami; October 15, Delray; October 29, Ft. Pierce; November 12, Okeechobee.

Coach Cooke, has as yet been unable to fill his full schedule for the 1948 season, but releases those which contracts are held.

(Continued on Page 4)

Ask To Transfer Its Franchise To Tamiami
Harry and Timothy Goodall, Tampa transporters, holding state license from the Railway Commission, have filed a petition with the state for transferring its route certificate to the Tamiami Trailways, which serves the Glades out of Miami and Jacksonville.

"Red Wings" New Colored Team Will Replace Famous "All Stars"

John M. Murphy, who for many years has been the manager of the famed Belle Glade "All Stars" a colored baseball aggregation, announces that he has concluded organizing an entirely new team for the private Hayden-Cartwright Act of 1934 stated: "Since it is unfair and unjust to discriminate against any race or color in the playing of baseball games, the state shall provide for the playing of baseball games by colored players." The opening of the season has been set for October 15th, at Okeechobee field, when the new team will be the opening attraction, in an afternoon game, at 3:30 o'clock.

Labor Day Gathering At Boynton Brought Many Thousands Of Visitors

Political Rally To Be Held Monday Night

Feeling that more interest should be encouraged in our city election next Tuesday, the Belle Glade Civic Improvement League is sponsoring a political rally to be held Monday night at 8 o'clock in the American Legion Hall here.

All candidates for city commission are invited and will be expected to say a few words in behalf of their candidacy. The public is urged to attend and take this opportunity to hear their city commissioners, and to let them know what is wanted.

Rams Will Be Given Modern Play Uniforms This Year

The Golden Rams, during the past week's practice periods, have showed much improvement, enough so, to make fans believe that we will have had a good team as we have had in the past.

In this session, Coach Cooke, will not have to overcome a serious lack of former years, and that he will be well fortified with a good line of substitutes, so that replacements can be made at his will. This will make it possible for the coach to keep his team up to par during any game.

"Bruiser," for that is the name which the players have assigned to the coach, issued playing uniforms to the team members, and real football was started, and players were assigned to positions for try-outs.

During the summer new equipment was secured for the Ramblers, including new uniforms, made out of water proof materials, so that soiling will not be so harmful. The boys would about the new uniforms.

While Coach Cooke has not filled this schedule of games yet, the big importance of the season, that with the rival Pahokee Blue Devils, will be played at Lake Field, on Wednesday night, November 24th.

Coach Alley, of the Blue Devils, has a squad of around 25 players under training, many of them "green timber." He has announced that the Blue Devils schedule will be as follows:

At home games: September 24, St. Theresa of Miami; October 1, Lake Wales; October 8, St. Andrew of Dania; November 5, Ponce de Leon of Miami; November 19, St. Mary's of Palm Beach; November 24, Belle Glade.

Way games: October 1, Gesu at Miami; October 15, Delray; October 29, Ft. Pierce; November 12, Okeechobee.

Coach Cooke, has as yet been unable to fill his full schedule for the 1948 season, but releases those which contracts are held.

(Continued on Page 4)

Will Continue Meetings
The session of the Everglades Presbyterian Church, has decided to continue its Fellowship dinner, prior to the regular Thursday evening prayer service. These have been held since the summer and have been largely attended and proved most enjoyable affairs.

The session also will carry on "visual education" programs by means of movie films, once a month. On Thursday night, September 8 the film "The Call of the Wild" will be presented as the opening number of the series.

Lumber Residue Taken By Mayor N. D. Lloyd
Many people have wondered what became of the lumber which came from the razed building of the Glades Chevrolet plant. It was that Mayor Lloyd was given the lumber for providing the razing labor. There was some mighty fine lumber that pile, and some day there may be one or two more residences over in the Mayor's village.

OBSERVATION and Comment By John M. Gladish

While our present city council got off in rather rough shape last September, it was not long before by mutual consent, the new council was elected, and most city business has been enacted with a unified agreement.

The Commission, for several months short membered as a result of the resignation of City Commissioner Scarborough, and the new council elected council did start out as a re-trenchment one, experience soon showed that the new council was not to operate the city in the tightness of the money pile some what loosened.

Many improvements of a physical nature have been accomplished during the year, especially in the matter of drainage and repair and building of new streets. The entire force of city employees, the police, fire and water works departments, have seen advancement in salaries. (Continued On Page 5)

Bruce Beardsley In Training For Foreign Field Agricultural Worker

Bruce Beardsley, a son of Mr. and Mrs. J. E. Beardsley, of Clewiston, who has a wide acquaintance over the Glades has announced that he has taken up studies in the Presbyterian Church, which will lead to his being appointed to a foreign mission field, as an agricultural director.

Beardsley is a University of Florida man, and has been active in the religious work on the campus. He also has a good foundation of agriculture, as his forebears have been active farmers in the Glades, and he has grown up with intimate acquaintance with dirt farming and cattle.

Beardsley was the speaker at the church services of the Everglades Presbyterian Church, on Sunday night, speaking on the subject "A Challenge to Action", his theme being mostly along the line of the need of missionary workers in the foreign fields.

Rev. J. W. Coleman Reassigned To Local Church District

Rev. J. W. Coleman, pastor of the Church of God, on S. W. Ave. E. and his wife, have returned from the international convention, recently held in Birmingham, Ala., with more than 15,000 delegates from all over the world, and mission fields in attendance.

Rev. Coleman reports this a great convention with wonderful expansion reports of the denomination work.

At this convention the denomination officials make the past year's appointments for the coming two years, and the Rev. Coleman has been returned to the local church, as well to serve as Bishop of the so called Okeechobee district.

Rev. Coleman states that he is glad to be returned to the local field, as he has found his work here most pleasant and satisfactory the past two years.

City Registration Now Near 1100 Mark

The campaign staged by the Lions club and the Chamber of Commerce to increase the city election roll had its good result, as shown when figures were compiled at the close of the registration period.

After City Clerk Wallis had cast of a number of people who were dead, others who had been removed from the city, and for other causes and then add the new registrants, the totals numbered 1061, 972 white and 109 colored, an increase of 116 new enrollees.

The city election comes on next Tuesday, with the usual hours being observed for getting in the votes. There are six candidates for the City Commissioners, two present members seeking reelection, each having competition. Junius Harris, who is asking for the unexpired term of George Scarborough, has to oppose. The other men in the race are Harold Rabin, W. W. Weeks, W. L. Collins and Natie Taylor, Mayor or Lloyd and A. J. Richmond.

JR. WOODMAN HAVE CIRCE PICNIC

The Juniors of the Woodman Circle enjoyed a picnic and swimming party on Thursday afternoon on Lake Worth Beach.

The group was chaperoned by Mrs. T. E. Strickland, District Manager, and several of the children's mothers.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. A. G. Anders, Jr., of Hillsborough Plantation are announcing the birth of a son, Albert Gardner Anders III, on September 3rd at the Everglades Memorial Hospital in Pahokee. Mrs. Anders is the former Carolyn Hamilton.

Mr. and George Appleby announce the birth of a son, David Patrick, on August 20th in Springfield, Illinois.

BEA FLEMING BRIDE OF ROBERT BURNS

Mrs. Marion B. Fleming of this city, and C. Robert Burns of West Palm Beach were married in St. Simons Island, Georgia Tuesday morning. The ceremony was performed in the Christ Church by the Rev. L. Gillespie, and the couple were accompanied by Mr. and Mrs. George Clayton of West Palm Beach.

Mr. Burns is city attorney and member of the law firm of Alley, Drew, Burns and Middleton in West Palm Beach where they will make their home.

still have another year under their term.

The pre-election campaign has been very quiet, with none of the animated discussions and incidents which prevailed last September.

WSGS CONDUCTS PRAYER DISCUSSION

The Woman's Society of Christian Service met Wednesday afternoon at the Methodist Church. The worship hour was opened by singing hymns, and Mrs. J. M. Gledhill directed the prayers of Jesus from the book "The Great Prayers of the Bible".

Mrs. A. L. White then led an open discussion on prayer in which all took part.

The next meeting will be September 22nd with the program on the "World Council of Churches".

RAMS WILL BE

(Continued From Page 1)

The Rams will play two new teams, one at home and one away, namely Panama City, there, and San Ferdinando, here at Memorial Field.

The schedule is as follows: September 24, Panama City at Panama City; October 1, Vero Beach at Vero Beach; October 8, San Ferdinando at Belle Glade; October 15, Ft. Pierce at Belle Glade; October 22 and 29 are open dates. November 5, South Broward at Dania at Belle Glade; November 12, Lake Worth; November 19 Delray at Belle Glade; November 24 Pahokee at Pahokee.

BENEFIT BURLESQUE

(Continued From Page 1)

speaker giving a play by play, as nearly as possible, description of the game but keeping up with the antics was more than a one-man job.

The manager of the Beta's Mrs. Ed Lively, ran the ten "man" team on to the field, where, in true big league fashion, the numbers on their backs were displayed but what numbers? B-1, U-2, 666, 474, and K. O. were some which caused loud comments from the crowd.

Emmet Roberts player-manager for the Lions brought his ten "girls" forward in the new look, old look, mid-victorian look and just plain sloppy look.

The game, among other things was completely unorthodox such as in the first inning when "Sofie" Sewell came to bat and called time while "she" opened "her" gladstone shoulder bag to produce a ten inch mirror and powder puff and proceeded to "put her face on" then and there, and when pitcher Emma Roberts tried to hide a rotten orange to be used in place of the ball, but the Beta's saw him realized his intentions, rushed at and fouled him right out on the mound—they brought

home the orange". The fleet footed Betas out ran the skirt hampered Lions at every turn and caused "Cuddles" Cunningham to comment in between gasps, "Those girls can run!" On and on it went for the five full innings.

The girls showed an original and entirely confusing style of softball but what with Chas. Goodier and Raymond Mock armed with everything short of the atom bomb serving as umpires and having their own ideas as to which team would be the winner, there was little argument by the "Lady Lions". They weren't in complete accord with the decision at times but one look down the double-barrel shot gun held by thumpie and there was no further argument, no sir-e-e-e.

The final score was 10 to 9 in favor of the Beta Sigma Phi team and everybody was happy?

RE-ELECT W. W. (Billy) WEEKS

As Your

CITY COMMISSIONER FROM GROUP ONE

Keep a qualified and successful business man, who has proven his capability for administration in city affairs, in office..

"Billy" always has time to hear the complaints (if any) and suggestions of the voters of Belle Glade.

Let's keep a man who is familiar with city affairs in office for another term to take advantage of lessons learned.

A Vote For Weeks Is A Vote For Progress

PAID FOR BY FRIENDS

Hello Fellow Citizens

Remember next Tuesday, September 14th is the day you will select the men who, with the hold over commissioners, will operate your city the coming year and the years.

I believe my past experience gained while employed three and one half year by the city and as a builder and business man, qualifies me to hold the important office of City Commissioner.

I here state, I am not for a city manager, but stand for all five city commissioners operating our city government, working together for the good of all citizens and property owners.

I am the Independent Candidate and I am not tied in with any group or clique, therefore, I can use my best judgement in the best interest of all citizens at all times.

On the above stated principles I solicit your continued help and your vote for me on September 14th.

W. L. Collins
(Candidate in Group One)

No Double Talk—Facts—Experience

1. — We don't need a city manager at PRESENT TIME.
- 1a. — We need five agreeable city commissioners. No combies or personal prejudice.
2. — The commission should appoint —
One commissioner Police Commissioner.
One commissioner Mayor.
One commissioner Municipal Judge.
- 2a. — Not one man the whole works.
3. — We need a good strong efficient police department that will police the City.
- 3a. — Not a skeleton force and an over-worked chief.
4. — We need increased revenue without further taxing the already heavily burdened taxpayer.
- 4a. — To build more streets, sidewalks and more public improvements. Better wages for the City employees.
5. — If you believe in this platform as I do after being one of your City Commissioners for the past two years, reelect me by an overwhelming majority, and I will insist that the balance of the Commissioners help carry out this platform as this will be the platform of the majority of the people.

OBSERVATIONS
 (Continued from page 1)
 To meet the need of rising prices of living commodities. The fire truck was received and accepted, and Chief Will empow-ered to secure an auxiliary pump to replace engine No. 1, now obsolete. Provision made for the installing of a radio station for the police and firemen; extensions in the water works system have been provided, the main one being the South Bay connection; repairing of the interior of the City Hall and other property, arranged for additional street lighting.

Next Tuesday comes the annual municipal election of city commissioners for which position six men will contest, all are well known citizens, two of them present commissioners seeking a second term. It will be the duty of the electors to get out and vote at the election on that day, and cast their vote for the men of their choice.

From unbiased observation, no matter what the composition of the next council may be, it looks as if it would be a competent

one. Co-operation of the proper kind means progress.

The meetings held last week by the cattle and corn growers brought about a better understanding of the problems which have come up the past spring season. The cattlemen got together in a co-operative organization, which is doing a big development for the region. Corn growers also will have a better program of planting, harvesting and processing.

At least a thousand youths of Glades County spent the school days on Tuesday of this week, ready for the duties of the year. The faculties will have a number of new faces. Teachers attending summer schools and the work shop period come better prepared for their work as instructors. The yellow buses again will become accustomed sights on the scenery. Better not pass the buses when they are stopped to load or unload the children, or you are likely to be paying a costly fine. Children are also cautioned to use some sense on their own part when it comes to safety precautions. Don't run through the red light at the school or don't do car speeding on the lake drive.

Just outside the city limits of Zephyrhills on the road to the Dade City, the Hercules Power Company, a duPont project, maintains an attractive village for employees of its plant nearby. The colony means much to the business of both Zephyrhills and Dade City.

The new state highway on route 25 from Sebring into Moore Haven sure is a motorists delight and one of the best in the state. The new Federal Highway No. 27, from Michigan to Key West now shares the No. 25 route markings and promises to be a busy traveling road when tourists find out about its utility. Moore Haven, Clewiston and South Bay service stations and eating places ought to draw considerable patronage from tourists traveling this new central state north and south highway.

LABOR DAY GATHERING

(Continued From Page 1)
 WJNO made it possible for every one in the shed, the bleachers and under the shady trees fringing the grounds, to hear plainly all that went on at the speakers stand. The proceeding went out to the world over four broadcasting systems so the event got excellent publicity.

The announcing "mike" was in charge of John Bollinger, B. Elliott, and Paul Rardin, who formed a trio of excellent operators.

Seated upon the undercover platform at the front of the market were the members and officers of the Resource Development Board, Everglades Drainage District, State and County officers, City Mayors, and other distinguished personages, in all numbering several hundred, all of whom were given rapid recognition.

It was unusual to see such a group of top politicians present at such a gathering, but in prominent seats were to be found Governor Millard Caldwell, U. S. Senators, Claude Pepper and Spessard Holland, Congressman Dwight Rogers, George L. Gooch, Southern Director of the American Federation of Labor, who later were the battery of speakers.

As this event was one celebrating Labor Day, all the speakers had prepared their addresses so as to pay tribute to the value and greatness of Labor both organized and otherwise, and Senator Pepper, made his main remarks mainly in praise of Labor, and made a punching speech out of it.

Senator Holland paid his respects to Labor, but spoke mainly on the Flood Control and Water Conservation project, in which as a committee member he had done hard and successful work in Washington. He paid his tribute to the organizations which had appeared in front at the attack in Washington, with entire unity, to be able to secure a \$208,000,000 project sanctioned by a Republican controlled Congress. He gave the workers the highest praise for their work and subsequent results, and that he was mighty proud of the manner in which this mammoth state welfare project had been conducted, and he was mighty pleased to have worked and presented such a delegation to his committee and to have had an active part in the proposal. He cautioned that Florida was in but the initial steps of the biggest promotion now in the nation, and that is imperative that forces be intact and ready to work in unity on any question that might possibly arise, until the project is a reality.

Governor Millard Caldwell spoke along the same line as did Senator Holland, and pointed out the chore which Florida as a whole, and South Florida

in particular, had to assume and carry out in the great state water control project. Congressman Dwight Rogers, from our district, did not disappoint in his address, which covered Labor and other topics of vital interests to the district.

Dick Erwin, nominee for Attorney General, was an added speaker, he speaking but briefly. Seemed that everyone on the ground came with an appetite for the barbecue dinner, and through a dozen serving entrances for more than 3 hours paper plates of appetizing viands were passed out by the corps of several hundred workers. Meat supply finally vanished, and there was a recess of serving of 30 minutes, until a supply of weiners and cold ham could be provided, then the 1,000 or more unfed secured their food. Those mountains of prepared foods disappeared as by magic, and no wonder, it was so good.

A 12 act floor show was presented in the afternoon, a rodeo staged two shows during the afternoon, and barn dancing was enjoyed at the market in the evening, all free.

The ice cream and pop con-

cessions were assigned to the Boy Scouts Council, and the net proceeds will be used for re-habilitation and new structure at the Lake Osborne Camp at Lantana.

Policemen to the number of 75 drawn in from all over the county were on hand to direct traffic and to preserve order, officers Goodlett and Mock, from Belle Glade being among the number. No serious accidents were recorded.

There was a whispering around that Broward county might desire to entertain the 1948 outing at the Boca Raton field, but this is a matter of later decision.
